

# JOIN THE FIGHT TO **Keep Traffic in the NYPD.** **Make a call to the Council Today!**

We believe in police reform. We believe that Black Lives Matter.  
**But we do not accept moving Traffic out of the Police Department!**

**We need to keep the pressure on.** Members of the Council need to hear from YOU. Councilmember Danny Dromm is the Chair of the Council Finance Committee, which oversees the city budget. Call him today and let him know why you oppose leaving the NYPD for DOT. Be polite. Don't argue. **Be firm and leave a clear message.**

**Call Council Finance Committee Chair Danny Dromm  
at 212-788-7066 and say:**

*"Hi, my name is \_\_\_\_\_ and I work as a Traffic Enforcement Agent/Supervisor for the NYPD. I am calling to let you know that all of us strongly oppose being shifted out of the NYPD and put in DOT. We are treated badly enough as it is. If we lose the status of being part of the NYPD, things will be even worse. I urge Councilmember Dromm to do everything possible to keep Traffic in the NYPD. Thank you."*
